

## NC Fusion Twin City Jersey Number Policy

### Jr. Academy, Select and Classic Players

**8U-14U players** will be assigned jersey numbers to avoid duplication across all teams in an age group. This will eliminate roster and uniform issues and added expense when players move from one team to another, are dual rostered or guest play for another team within the club.

**15U-19U players** will be invited to accept a position on a team by logging in to their Twins account to submit the acceptance fee. Within the acceptance process, the player will be asked to provide their top three choices for a jersey number. In the case of duplicate requests, priority will be given to the player who accepts their position first, based upon the date and time the acceptance payment was completed. The player will be contacted if all three jersey number choices are unavailable. No exceptions or changes will be allowed after jersey number selections are submitted. In the case of any jersey number dispute, the club registrar will assign the numbers.

Jersey number selections must be 1 or 2 digit and a preceding 0 (ie. 08) and 00 are not permitted.
